

PRIVACY NOTICE

The Partnership recognizes the importance of protecting the Limited Partners' privacy. As such, the Partnership, the General Partner and the Investment Manager have policies in place to maintain the confidentiality and security of our Limited Partners' information.

Categories of Information We May Collect

In the normal course of business, we may collect the following types of information i) Information Limited Partners provide in the subscription documents and other forms (including name, address, social security number, date of birth, income and other financial-related information); and ii) Data about Limited Partners transactions with the Partnership (such as the types of investments Limited Partners have made and Limited Partners account status).

How We Use Limited Partners Information That We Collect

Any and all nonpublic personal information received by the Partnership, the General Partner and/or the Investment Manager in the course of business with respect to Limited Partners who are natural persons, including the information provided to the Partnership by a Limited Partner in the subscription documents, shall not be shared with nonaffiliated third parties which are not service providers to the Partnership, the General Partner and/or the Investment Manager without prior notice to, and consent from, such Limited Partners, unless otherwise required by law. In the normal course of business, we may disclose the kinds of nonpublic personal information listed above to nonaffiliated third party service providers involved in servicing and administering products and services on our behalf. The Partnership's service providers include, but are not limited to the Administrator, the auditors and the legal advisors of the Partnership. Notwithstanding the foregoing, the Partnership, the General Partner and/or the Investment Manager may disclose such nonpublic personal information as required by law (such as to respond to a subpoena or a request for information by a regulator and/or to prevent fraud), including without limitation, the disclosure that may be required by the Uniting and Strengthening America Act by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT) Act of 2001 and the rules and regulations promulgated thereunder. In addition, if the Partnership chooses to dispose of any Limited Partner's nonpublic personal information that the Partnership is not legally bound to maintain, then the Partnership will do so in a manner that reasonably protects such information from unauthorized access. The same privacy policy also applies to former Limited Partners who are natural persons.

Confidentiality and Security

We restrict access to nonpublic personal information about our customers to those employees and agents who need to know that information in order to provide products and services to Limited Partners. We maintain physical, electronic and procedural safeguards to protect Limited Partners' nonpublic personal information.

For questions about this privacy policy, please contact the General Partner.
